eJournal Backfiles

Access to some of the **earliest and most established journals**, many of which still influence research to this day.

Extend access to all available eJournal content **across multiple subject disciplines**.

Put **present-day theory into context** by uncovering the thinking of leading experts from the past century.

Reveal previously hidden research and make it **accessible alongside current eJournal content**.

Article examples that show how this collection of content charts the evolution of global landmark topics from the 19th to 21st century

Clean energy

POLLUTION PREVENTION AS CORPORATE ENTREPRENEURSHIP

Published 1998

Douglas J. Lober

Journal of Organizational Change Management

Environmental entrepreneurship is usually thought of as the creation of new products or services to meet environmental market opportunities. Pollution prevention is a new concept of the idea of environmental entrepreneurship as it is process based and focused on reducing costs rather than increasing revenues.

MORE EVOLUTION THAN REVOLUTION: TRANSITION MANAGEMENT IN PUBLIC POLICY

Published 2001

Jan Rotmans, René Kemp and Marjolein van Asselt

Foresight

Uses the example of a transition to a low emission energy supply in the Netherlands to argue that transition management provides a basis for coherence and consistency in public policy and can be the spur to sustainable development.

Digital technology

WORLD-WIDE WEB: THE INFORMATION UNIVERSE

Published 1992

Tim Berners-Lee, Robert Cailliau, Jean-François Groff, Bernd Pollermann

Internet Research

The World-Wide Web (W3) initiative is a practical project designed to bring a global information universe into existence using available technology. Describes the aims, data model, and protocols needed to implement the "web" and compares them with various contemporary systems.

DIGITAL NATIVES, DIGITAL IMMIGRANTS (PART 1 & 2)

Published 2001

Marc Prensky

On the Horizon

How do students today think and process information fundamentally differently from their predecessors, as a result of being surrounded by new technology? Compares these "digital natives" with the older generation who are learning and adopting new technology naming them "digital immigrants".

Reduced inequality

WOMEN IN AMERICAN AND BRITISH LIBRARIES

Published 1898

Miss Hannah P. James

The Library World

"We have often mentally discussed the reason why so many of the libraries of the United States are in the hands of women, and so few in Great Britain. Tradition and habit are of course responsible to a great degree in the latter case".

GENDERED AGEISM AND "LOOKISM": A TRIPLE JEOPARDY FOR FEMALE ACADEMICS

Published 2006

Jacqueline Granleese and Gemma Sayer

Women in Management Review

Explores employees' experience and understandings of gender and age in higher education to identify if women in higher education experienced the double jeopardy of gendered ageism. Further the role of physical attractiveness and appearance in higher education is explored.

Our digital platform takes research to the world

Emerald Insight is home to over 300 journals, 2,600 books, 20,000 Expert Briefings, 2,500 case studies and a growing collection of open access content.

emerald.com/insight

FAST AND ACCURATE RESULTS

- Quick and advanced search
- Search results ordered by relevance, regardless of content type
- MarkLogic's powerful search technology quickly surfaces relevant content
- Predictable navigation and simple interface
- Browse pages by content type and institution holdings offer new routes to discover content.

DISCOVERABLE AND ACCESSIBLE

- Supports major authentication methods including IP, Shibboleth, OpenAthens, Referring URL and EZproxy
- Indexed in all major discovery systems including Primo, Summon, OCLC and EBSCO
- Users can download citations directly from the platform to load into their citation management tool
- KBART and MARC records available to download.

FLEXIBLE ACCESS FOR USERS

- No download restrictions or embargoes
- Profiles give users personalization features, such as 'save search' and 'Table of Contents' alerts
- HTML, PDF and ePub formats
- Access via desktop or mobile device
- Multi-user, institution-wide access.

Librarian Toolkit

Includes: access and authentication information, user guides, library promotional material, guidance on usage reports and resources for discovery.
