

Upon the completion of your registration, your conference account is activated (you need to register in order to attend).

**Step 1**: Open a browser (Firefox, Chrome, Opera) and type this address <a href="https://conference.lib.ntua.gr/">https://conference.lib.ntua.gr/</a>

**Step 2**: On the upper side of the website, next to the language options, you have to click on "Entrance". If you do not see the option "Entrance", it means you are already connected.
