Rated 4.33/5
by

Join ProQuest on a journey to transform the academic experience. For the first time, your library can have access to the world's largest curated collection of journals, ebooks, dissertations, news, video and primary sources, all in one place.

With ProQuest One Academic, four core multi-disciplinary products – *ProQuest Central*, *Academic Complete*, *Academic Video Online* and *ProQuest Dissertations & Theses Global* – are now available and cross-searchable on the same user-friendly, responsive, mobile-enabled ProQuest platform.

Unified Experience

Search books, journals, video, news, and dissertations – without leaving the ProQuest platform.

Varied Content

Meet the needs of students and faculty with a multidisciplinary content collection for teaching, learning and research.

Simpler Administration

Save administrative time by reducing the number of platforms to configure and manage.

Value

Get affordable access to ProQuest's largest and most-used multidisciplinary collections.

What's Included

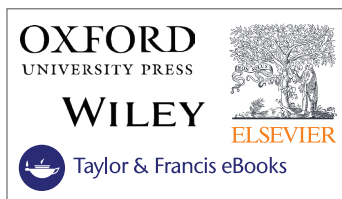

ProQuest Central™

Bringing together the world's most-used databases to create the most complete multidisciplinary research collection available. You'll find content across all major subject areas, including business, health and medical (including nursing), social sciences, arts and humanities, education, science, engineering and religion.

Academic Video Online

The most comprehensive streaming video subscription available to libraries. Curated for the educational experience, Academic Video Online includes 66,000+ titles spanning the widest range of subject areas including anthropology, business, counseling, film, health, history, music, and more. More than 14,000 titles are exclusive to ProQuest.

Academic Complete®

An affordable, critical mass of 150,000+ multidisciplinary ebooks with unlimited, multi-user access, powerful research tools and DRM-free chapter downloads. With a focus on quality over quantity, Academic Complete's hand-selected titles from leading publishers support curricula, graduation rate trends and emerging courses.

ProQuest Dissertations & Theses Global™

The largest digital collection of graduate works, with 4 million dissertations and theses (2 million in full text). Designated as an official offsite repository for the U.S. Library of Congress, this database offers comprehensive historic and ongoing coverage from North America and beyond.

"Essentially, ProQuest is offering a wide variety of source types used for academic research in a single, cross-searchable platform and continues to deliver the award-winning usability librarians and library users have come to expect."

— Amanda Kraft, User Experience Coordinator, College of Charleston Library
